Cabernet Sauvignon 2022

Grape Variety: Cabernet Sauvignon

Colour: Medium depth, bright crimson

Region: Coonawarra

pH: 3.52 *Acidity:* 6.4g/L
RS: 0.41g/L *Alc/vol:* 14.7%

Nose: This expressive cabernet sauvignon has a lovely fruit aromatic profile. Dark cherry, classic cassis, mulberry, and blackberry with hints dried herb, chocolate and spicey cedar oak.

Vintage: Coonawarra experienced another strong vintage in 2022. Reasonable winter and mid spring rains, providing sound conditions for the vines growing season. Mild and stable weather conditions with minimal heat fluctuations coupled with cool night-time temperatures ensured an extended ripening period and exceptional fruit quality during harvest.

Palate: The palate is full and supple with vibrant layers of cassis, mulberry and blackberry fruit along with subtle hints of sage, herbs, and a pleasant earthy and savoury depth. The complex palate is framed with polished, fine-grained tannins, a hall mark of the Coonawarra region.

Oak Maturation: Selected parcels were matured in French hogsheads and barriques with 28% new.

Food Matching: This Cabernet will go well with rosemary braised lamb shanks, a chargrilled porterhouse with chimichurri sauce or for a vegan alternative, try a rich tomato pasta.

Cellaring Potential: Will age gracefully up to 10 years.
